

Educational Webinar Series

Hosted by the National Association For Continence

Join us for FREE online seminars, linking participants via toll-free conference calls and the Internet. Each discussion topic will be followed by a live question and answer session, hosted by a healthcare professional.

First Scheduled Webinar: *Overactive Bladder: Symptoms and Treatment Options*

Date: Tuesday, November 17th

Time: 8:00 p.m. (EST)

SPACE IS LIMITED

**To Register Call The National Association For Continence at 1-800-Bladder or
Visit the Web site at www.nafc.org**

Coming in 2010...

Experts will speak and answer questions about the following topics:

January Webinar: *Function of the Bladder & the Role of Pelvic Support*

February Webinar: *Non-Surgical Intervention to Treat SUI, Behavioral Strategies and Management*

March Webinar: *Surgical Treatment of SUI and/or Prolapse*

April Webinar: *Nocturia: Risk Factors for Falls & Fractures and Nighttime Fall Prevention Strategies*

May Webinar: *Types of Incontinence, Voiding Dysfunction, and the Impact of the Aging Process*

June Webinar: *Bowel Health: Constipation, Fecal Incontinence, & Symptoms of Rectal Prolapse*

July Webinar: *Combating Recurrent Urinary Tract Infections*

**The date and time of each Webinar will be posted on the NAFC Web site one month in advance.*
