“YSC has had such a positive impact on me, from the way I think to how I interact with other people. It inspires me to be a better person.”

-Grace, Former YSC

“Being in YSC made me more confident with who I am and now who I’ve grown to be. It made me love myself twice as much as before; it made me accept that I’m going to struggle in life. I just have to learn how to be stronger and overcome it.”
